

Interpreted Call-In Lines for Patients

Patients can reach us by phone even if they do not speak English!

These toll-free numbers provide Direct Response from an Interpreter who will help patients reach us to schedule / cancel / reschedule, or to discuss their care and treatment.

Other Languages:	802-847-8899
------------------	--------------

**Tell the patient to dial 802-847-8899 and identify their language.*

We do not have Direct Response for 'languages of lesser diffusion'.

Let the patient know it may take the operator a few minutes to get an interpreter on the line.
