LABORATORY SUPPLY ORDER FORM

Phone Orders: 847-5121 or 1-800-991-2799
Fax Orders: 802-847-5905

Location Name: __________________________________________________________
Ordered By: __________________________________________________________

Items supplied are intended to be used solely for specimens sent to UVMMC laboratory. The number of items provided will be monitored to ensure they correlate with the number of tests sent to the lab for processing.

Where quantities are listed, we assume you are ordering that number of the quantity listed. For instance, if 3-Serum separator (SST), 8 ml (box of 50) are ordered we will send you 3 boxes or 150 tubes. Please do not order more items than you usually will use in 30 days. Items transported and stored at room temperature unless otherwise stated.

*Items transported and stored at 2-8oC.

RETURN: If you return any laboratory supplies please tag the item with a copy of this sheet or add a note explaining where they are being returned and why so that we can update your location compliance log. Thank you.
